1) I have the honour to state that the annual charges on account of the supply of Electric power is costing about Rs. 1800/- including the cost of bulbs and repairing charges. It is ascertained from the Superintendent Power and Lighting that the Royalt for annum for maintaining the same No. of lights as in the case of Municipal lights, would only be Rs.562-8-0.

2) By the conversion of the present system of lighting with street lights, we will not only save over a thousand rupees a year but also ensure prompt repairs and supply of bulbs etc., by the Department itself free of cost. I request therefore permission to have the conversion of Jail electric lights.

3) The savings effected may be utilised for the installation of lights in the barracks.

4) Early orders are solicited.
